

# Yearbook Sponsorship!

**This is your chance to sponsor the 2011-2012 Yearbook!**

If you are able to support the 2011-2012 yearbook and the hard-working committee of 8<sup>th</sup> graders who are creating it, please choose from one of the following levels of donations. In the past, we have been able to decrease the price by up to 33%...all because of sponsors like you! The different levels of sponsorship that you can choose from are:

**BRONZE: \$10**  
**SILVER: \$20**  
**GOLD: \$35 (either with or without a message)**

Note: the gold level is for those wanting to write a brief message to your student, an eighth grader or the graduating class in general. You are, of course, welcome to donate the amount without a message.

Please have your donations turned in by *January 20, 2012*... Late entries cannot be accepted. We are always delighted to get some turned in early!

Thank you for your support!
